

Philippines Hidden Secrets

A short guide for people who will vacation or live here, I lived in the Philippines for ten years, and still reside here to this day. I will cover my time here from when I had a good job until I ended up living in squatter areas and how I managed and where I messed up. If you come here and visit the bars I will tell you the truth, much of the truth I never realized until I moved into squatter areas where many of the bar girls actually live. If you lived here for twenty years you would never know the secrets until you enter where the people actually live, I have lived and continue to live in some of the most rat-infested places in the Philippines. Many of the beautiful women you see live in such poor conditions; you would never know it by looking at them.
