

Since the 1922 publication of *Babbitt*, its eponymous antihero—a prosperous real estate broker and relentless social climber inhabiting a Midwestern town called Zenith—has become a symbol of stultifying values and middle-class hypocrisy. At once a conformist and a rebel, George F. Babbitt represents an ordinary man whose life turns upside down during one of the most profound sea changes in American cultural history: the mechanization and hucksterism of the Roaring Twenties. *Babbitt*, his family, and his social circle are the very essence of the American Dream in all its glory and emptiness, and their story is a stirring portrait of a way of life in profound flux. *Babbitt* remains one of Sinclair Lewis's most widely read novels. Contemptible and touching, frivolous and tragic, *Babbitt* is a rich, complex character whose legacy carries an eerie resonance to this day. Includes a new afterword by Azar Nafisi. Introduction by Sally E. Parry

Social Sciences and History CLEP Test Study Guide - Pass Your Class - Part 1, Pearl Of Africa uganda seikatsude watashiga mitsuketamono (Japanese Edition), Madeira, its climate and scenery: containing medical and general information; ... a tour of the Island, and an appendix.
