

After The Rising

He is still the picture I have held in my hand but blurred at the edges, like a photograph out of focus. His hair is gone, his long, black, beautiful hair. It used to flow down his back, soft and shiny as night-water. Thinning and greying now: any man's hair. And he wears a suit, any man's clothes. I look for what I used to know. When Jo Devereux returns to Ireland after an absence of 20 years, the last person she expects to meet at her mother's funeral is Rory O'Donovan. The unexplained conflict between his family and hers was the one constant of Jos childhood, leading to their painful breakup and Jos sudden emigration. Now she's back in Mucknamore, the Irish village where they grew up, he's urging her to stay on after the funeral and she's tempted. Because of him? Because her life in San Francisco is such a mess? Or because, being a writer, she always swore that one day she'd write a book about it all? Jo settles into a shed near the beach to write her family history and begins to uncover some astonishing truths about her mother and grandmother; about women's role in the conflict that became known as The War of The Brothers, and about the consequences of a murder that have ricocheted through the generations. Rory, mired in an unhappy marriage, is urging her to rebel again -- but Jo is more cautious twenty years on. Rebellion has an energy that sweeps people up, she tells him, but what happens after the rising? That's the question Jo must answer if her exhumation of the past is to redeem her future.

Weapons of the 1916 Rising The Century Ireland project is an online historical After centuries of failure in obtaining weapons the Irish Volunteers had a huge A maths teacher and staunch Catholic, Dev was born in the US to an Irish mother and escaped a death sentence after the Rising, partly due to Pages in category Executed participants in the Easter Rising. The following 16 pages are in this category, out of 16 total. This list may not reflect recent Ireland after the Rising. W.B. Yeats famously remarked that Ireland after the Easter Rising was changed utterly. Few would dispute that he had a point, but how After the Easter Rising, one of the rebels, American-born Eamon de Valera, was sentenced to
