

Beer in the Snooker Club (Vintage International)

Set amidst the turbulence of 1950s Cairo, *Beer in the Snooker Club* is the story of Ram Bey, an over-educated, under-ambitious young Egyptian struggling to find out where he fits in. Ram's favorite haunt is the fashionable Cairo Snooker Club, whose members strive to emulate English gentility; but his best friends are young intellectuals who devour the works of Sartre and engage in dangerous revolutionary activities to support Egyptian independence. By turns biting and comic, *Beer in the Snooker Club* the first and only book by Waguih Ghali became a cult classic when it was first published and remains a timeless portrait of a loveable rogue coming of age in turbulent times.
