Bhutan 1:250,000 Travel Map, waterproof, GPS-compatible, REISE This map is waterproof and tear-resistant, durable enough to survive time spent in the rucksack, pocket or on a restaurant table. It is double-sided to provide the best balance between a good scale and a convenient sheet size (size 100 x 70 cm / 39.5 x 27.5 in) with topographic and tourist information. The map divides Bhutan east / west with a good overlap. The base map has altitude colouring with contours, spot heights and mountain passes. Road network includes local roads. Local airfields and helipads are also marked. Internal administrative boundaries are shown with names of the provinces. A wide range of symbols highlights various places of interest, including temples, castles and palaces, archaeological sites, viewpoints, hot springs, camp sites, etc. Names of main trekking routes are highlighted as are names of national parks and conservation areas. The map has a latitude and longitude grid at intervals of 15 and an index of place names and national parks. Multilingual map legend includes English. High quality German-made cartography.
