

Birds: An Illustrated Field Guide to the Birds of Singapore (Suntree Notebooks)

This comprehensive sourcebook and field guide is designed for expert and amateur birdwatchers alike, as well as students and nature lovers. Presented is scientific and field information based on years of bird-watching experience and conscientious study of birds and their behavior, all lavishly illustrated. Also discussed are issues such as climate, habitat, and conservation, which are essential to the discussion of birds in an urban environment like Singapore.
