

Blue Diablo: Corine Solomon: Book One

Right now, Im a redhead. Ive been blonde and brunette as the situation requires, though an unscheduled colour change usually means relocating in the middle of the night. So far, Im doing well here. Nobody knows what Im running from. And Id like to keep it that way. Eighteen months ago, Corine Solomon crossed the border to Mexico City, fleeing her past, her lover, and her gift - for Corine is a handler: she can touch something and know its history, and sometimes, its future. Using her ability, she can find the missing - and thats why people never stop trying to find her. People like her ex, Chance ... Chances uncanny luck has led him to her doorstep. He needs her help. Someone dear to them both has gone missing in Laredo, Texas, and the only hope of finding her is through Corines gift. But their search is going to get dangerous as the trail leads them into a strange dark world of demons and sorcerers, ghosts and witchcraft, zombies - and the blackest of black magic.
