

## Boswells life of Johnson (abridged); (The Riverside literature series)

Published in 1791, Boswells Life of Johnson exposes one of the most gigantic figures of English literature with unparalleled closeness and originality. He succeeded in portraying Johnsons life through lively conversations with Johnson that reflected his abundant humor and deep insight. This work details Johnsons prolific years in London, where he gained popularity as a writer, and is considered to be one of the greatest biographies ever written.
