

The Revenge of John W: Desert Intrigue, Daring Prison Escape: Thrilling Action (Unlimited exclusive, Joe Corso Book 1)

A dirt poor mother and her son whose only possession - their property is desired by an evil man. His lust for wealth drives him to stop at nothing to obtain it - causing a grieving mother the fear of never seeing her only son again. A prison in the desert which has been closed for over a half century is mysteriously re-opened, but for what purpose? Why was the boy taken from his mother and the girl he loves - will he ever see them again? Why does Jack McCormack covet John W's worthless property so aggressively? The prison has a 100 year old secret - with a skeletal sentinel watching over it. Who is he, and why is he there? These are part of the tantalizing clues that help make THE REVENGE OF JOHN W a book you won't want to put down.
