

Niagara Falls Confidential

From a cursed cave and a haunted castle to the shocking scandals unfolding today, Niagara Falls Confidential takes you on a whirlwind tour of one of the worlds natural wonders, providing a sometimes disturbing vision that visitors rarely get to experience. Chock-full with tales of murder, mayhem and madness in what is still called the Honeymoon Capital of the World, Niagara Falls Confidential takes an unsettling look at four centuries worth of the twisted personalities and strange occurrences that you wont hear about anywhere else. Heres your ticket for that ghost train heading up to Devils Hole. Come along with us, if you dare! Second edition, revised and expanded, with seven more chapters. From Power City Press.
