

Lorna Doone (Penguin Classics)

First published in 1869, *Lorna Doone* is the story of John Ridd, a farmer who finds love amid the religious and social turmoil of seventeenth-century England. He is just a boy when his father is slain by the Doones, a lawless clan inhabiting wild Exmoor on the border of Somerset and Devon. Seized by curiosity and a sense of adventure, he makes his way to the valley of the Doones, where he is discovered by the beautiful Lorna. In time their childish fantasies blossom into mature love a bond that will inspire John to rescue his beloved from the ravages of a stormy winter, rekindling a conflict with his archrival, Carver Doone, that climaxes in heartrending violence. Beloved for its portrait of star-crossed lovers and its surpassing descriptions of the English countryside, *Lorna Doone* is R. D. Blackmore's enduring masterpiece. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines.
