

Digging Deep (Xcite Romance)

The storyline is interesting, the characters ones you can engage and identify with and the erotic and romantic parts are very satisfying. 5 stars from Lucy Felthouse. As site supervisor on an archaeological dig, in the grounds of the Ancient Roman city of Leptis Minus in Tunisia, Dr Beth Andrews hands are well and truly full. Her first foreign excavation, which she co-runs with the American archaeologist Dr Harrison Harris, gets off to a shaky start due to the jealous interference of Harris's ex, and an overzealous student... Love and lust really can cloud even the cleverest persons judgement!
