

Tourism and Air Transport in Africa: Windhoek, Namibia, 28-31 May 2001 (World Tourism Organization Seminar Proceedings)

It has occurred a quite a number of meetings of the African Commission over the last number of years that questions related to air transport in Africa was raised by our members. It is against this background that it was decided to arrange an International Conference on Tourism and Air Transport. This Conference was organized in close cooperation and partnership with the African Civil Aviation Commission. This publication is a collection of the papers presented during the conference held in Windhoek, Namibia from 28th until 31st May 2001.
