

## Galerista (Romanian Edition)

Scris in acelasi stil incarcat de ironie si dinamism cu care Wendy Holden si-a obisnuit cititorii din romanele anterioare, *Galerista* (2010) este o satira chick-lit la adresa opulentei si extravagantei din lumea artei contemporane, a falselor pretentii de rafinement ale artistilor, patronilor de galerii si colectionarilor, a grotescului exponatelor vindute cu preturi exorbitante la licitatii. Cu o mina sigura, autoarea urmareste povestile mai multor personaje care fac parte sau aspira sa patrunda in lumea artei si relatiile problematice ale acestora cu partenerii de cuplu, rezolvind tensiunile printr-o magistrala si neasteptata rasturnare de situatie. Personajele sale - artisti celebri si rebeli, curatori si patroni de galerii de arta, pictori aspiranti si cintareti de rock ratati - sint pitoresti, amuzante si, inainte de toate, credibile.
