NPR From the award-winning author of *Boy, Snow, Bird* and *Mr. Fox* comes an enchanting collection of intertwined stories. Playful, ambitious, and exquisitely imagined, *What Is Not Yours Is Not Yours* is cleverly built around the idea of keys, literal and metaphorical. The key to a house, the key to a heart, the key to a secret Oyeyemi's keys not only unlock elements of her characters' lives, they promise further labyrinths on the other side. In *Books and Roses* one special key opens a library, a garden, and clues to at least two lovers' fates. In *Is Your Blood as Red as This?* an unlikely key opens the heart of a student at a puppeteering school. *Sorry Doesn't Sweeten Her Tea* involves a house of locks, where doors can be closed only with a key with surprising, unobservable developments. And in *If a Book Is Locked There's Probably a Good Reason for That* Don't You Think, a key keeps a mystical diary locked (for good reason). Oyeyemi's tales span multiple times and landscapes as they tease boundaries between coexisting realities. Is a key a gate, a gift, or an invitation? *What Is Not Yours Is Not Yours* captivates as it explores the many possible answers. From the Hardcover edition.
