The former British Crown Colony of Hong Kong in the Pearl River Delta is now a Special Administrative Region of the Peoples Republic of China. Its name Fragrant Harbour originally referred to the area of the actual Aberdeen where British sailors and local fishermen met. The metropolis of todays Hong Kong is best known for its financial markets, an imposing skyline with glistening skyscrapers, heavy traffic and scarce living space. Our tour will take us to Victoria Peak, Victoria Harbour, Kowloon, the Repulse Bay and Aberdeen.
