

Touch of the Demon

Bad ass dark angel Rafe is sent back in time to destroy the woman who is fated to bring untold chaos to the cosmos. Instead he finds Celeste, a child of the Earth Goddess, who is sworn to protect the one Rafe seeks. He mistakes her for his quarry, but an irresistible attraction prevents him from taking her soul. And although Celeste holds the one weapon capable of banishing Rafe from Earth forever, she's unable to deny the overwhelming desire to possess this creature from hell. They come together in a firestorm of passion, each believing they are changing destiny by their actions. But when the Earth Goddess appears they discover her plans are more far reaching than either had imagined. Previously published by The Wild Rose Press in 2009
