

Finding Casey

Glory Vigil, newly married, unexpectedly pregnant at 41, is nesting in the home she and her husband, Joseph, have just moved to in Santa Fe, a house that unbeknownst to them is rumored to have a resident ghost. Their adopted daughter, Juniper, is home from college for Thanksgiving and in love for the very first time, quickly learning how a relationship changes everything. But Juniper has a tiny arrow lodged in her heart, a leftover shard from the day eight years earlier when her sister, Casey, disappeared - in a time before she ever met Glory and Joseph. When a fieldwork course takes Juniper to a pueblo only a few hours away, she finds herself right back in the past she thought she finally buried. A love story, a family story, a story of searching and the bond between sisters, Finding Casey is a testament to human resilience. This completely stand-alone novel, featuring beloved characters from Solomons Oak, will charm Mapson's readers and move her into a larger sphere.
