

A Little Death in Dixie

The blues were born out of pride, anger and need. Murder comes from those same dark places. One of Memphis most seductive and notorious socialites has disappeared. She's either off on another of her drunken escapades or the disappearance is something much more frightening. What begins as an ordinary day's work for Detective Billy Able of the Memphis P.D. quickly grows into a high-level spider web of tragedy, mystery, suspicion, passion, and sordid secrets—including a few of Billy's own. Along with Mercy Snow, the estranged sister of the missing socialite, Billy follows a twisted path of human frailty and corruption to disturbing truths that undermine everything he thought he knew about himself and the people he loves.
