Since a broken heart can kill, John may just be responsible for an endless number of murders or worse. He is a heartbreaker. A reckless lover that leaves a string of broken women wherever he goes. But all that changes one day when he learns that he may have broken the heart of the wrong woman. Charlie Craymore is many things, a psychologist, a vixen, a diva and quite possibly a killer but not of the heartbreaking kind. She may very well be the real thing. After a few wild passionate nights with Charlie, John tries to do what he always does, he tries to leave, but all he winds up with is a nasty bump on the head and right where Charlie wants him to be. As Charlie tries to teach her reluctant patient a much needed and possibly lethal lesson, John finally faces his sketchy past. - End of Book Synopsis - Now please don't expect some table-thumping blockbuster that will end up unread and gathering dust on your virtual bookshelf this is a sizzling erotic short story that will have you flipping over the pages in feverish anticipation. WARNING: This story is intended for ADULT female readers 18 years of age or older. It contains explicit language and graphic sexual content.
