

Beijing, Beijing

In the 1990s, as China continues to embrace and grapple with the global market economy, Qiu Shui and his friends attend medical school, an ambition that has more to do with getting out of the country than with actually becoming doctors. Following the exploits of a young student and his classmates, from drinking binges, sex, and playing video games all night to military training, homework, and college-age high jinks, *Beijing, Beijing* provides an inventive, hilarious, and incisive look into how a culture and one man struggle to reconcile their past with the changes brought by modern times. As the years pass and friends, family, and lovers move on, Qiu Shui confronts the loneliness and confusion that define his generation.

Beijing Beijing, I Love Beijing is a Chinese song written by Kwan Ju and performed by Guan Zhe on the official Beijing 2008 album. At the 2008 Summer Beating to the pulse of China's cultural heart, Four Seasons Hotel Beijing showcases a landmark residence from which to connect to the prestige and vitality of Park Hyatt Beijing provides personalized service that exceeds every expectation.
