WARNING\*\*\* This novella is intended for those 18+ of age and contains strong language, sexual content, adult situations and a shocking ending that will be continued in book #2 A Lil Less Lost which is available now. Lils and Jay lived their very own fairytale biker romance. He was her first love, her only love. She was what he needed, what he wanted. Insecurities, fear and misconceptions lead Lils to make a heartbreaking decision to abandon that life and love behind, before it consumes and destroys her as it did her mother years earlier. But, moving on isn't so easy when you are deeply connected to your past. When Lils finds herself in a whirlwind of danger her knight in shining armor, er, her badass biker on a Harley bails her out. But at what cost?
