

Plaything: Volume Two

Part two in the Plaything series. The clock is ticking. Im holed up in Hell, destined for sale as a rich mans plaything. Theyve beaten me, theyve bullied me, but they havent broken me. Not yet. Theres one man standing between me and a life of misery. The man theyve instructed to train me... to make me willing... to make me a good product... Robert. Hes trying to teach me the art of submission, and Im trying to learn. I tell him Ive got this, I can do it, I can be the woman I need to be to get through this horrible mess alive. What I havent told him, is that its becoming a whole lot less about the lessons, and a whole lot more about the him. But it cant be. In a few days hell be gone, and Ill be off to my new life. My new life without him. I just pray Ill be ready. **Most certainly 18+ only**

I purchased this book for two reasons - one Ive enjoyed Jason Lukes writing and have given him full credit for his other novels. Two, the positive reviews I now Missy Turner made a big mistake that cost her company millions, and ended up with a whole new job doing things shes never done before. She made it through Start by marking Plaything: Volume One (Plaything, #1) as Want to Read: ..
