

Down and Out in Mendocino

Down and Out in Mendocino is a marijuana mystery set in the heart of Northern California. The story is a dissection of criminality accompanied by an abdominal exercise in hilarity. The riot is set in and around Mendocino Village, where East of Eden was filmed and James Dean became legend. Down and Out in Mendocino contains history of Mendocino County interwoven with the tale of a local mystery. Through the mystery, Rolland Greene, a local writer, and his friends find themselves wrapped up in a complex paper chase. Rolland Greene spends his time in the small coastal community trying to write his political treatise based on his experiences and a local collection of literature, but suddenly finds himself trying to survive the tumult surrounding his lifestyle and friends. Rolland and his buds all find themselves tormented by bad luck and ultimately bad people pursuing treasure unique to Mendocino. Down and Out in Mendocino is a humorous trip to Mendocino, California that will leave your gut hurting from laughing so hard, but will also lead to insights on the politics of crime and the crime of politics. Down and Out in Mendocino takes you to the heartland of Northern California and into the mind and heart of Rolland Greene, a Mendonesian caught up in a small town mystery with global implications. There is mystery and intrigue and ridiculousness, just like Mendocino. The story is complete with several Herbisms, quotes of Herb, the town legend currently on the lamb, including, Dont let anyone see me see you.
