

Sanctuary (Mills & Boon Cherish) (The Birth Place, Book 2)

Hope Tanner escaped from her polygamous community in Superior, Utah, ten years ago pregnant and alone. She ended up at The Birth Place in Enchantment, New Mexico, where Lydia Kane, the clinics founder, handled the private adoption of her baby. A baby Hope never held and never stopped thinking about. Now Hope briefly returns to her hometown to help her pregnant younger sister, Faith, escape, too. They need somewhere to go, a sanctuary. Where but The Birth Place? Faith can have her baby in safety and Hope can revisit old friends. Like Lydia and the handsome Parker Reynolds. But Parker, the birth centers administrator and a widowed single father, isn't pleased to see Hope back in Enchantment. He's even less pleased when Lydia offers her a job. Hope doesn't understand his animosity. In fact, she almost wonders if he has something to hide.
