

## Accepting His Terms (Desire for Discipline)

Jill Lincoln has the hots for her stern, hunk of a boss, Jarrod Baine. With his piercing steel gray-blue eyes, hair as black as coal, and a body to be enjoyed, she wonders what it would be like to be his woman. But she's only one of many who would give her eye teeth to be in his bed. The day Jarrod rescues her from a would-be assault by a young mail clerk, she finds that he is as attracted to her as she is to him. As the two begin a relationship, it becomes very apparent to Jarrod that Jill is a nervous, high-strung lady and he searches for the best way to ease her tensions. Together they begin to form a strong bond as they experiment with discipline. As the couple realizes their feelings run much deeper than an office affair, Jarrod asks her to be his wife. As they enter into a hot, passionate marriage, complete with the discipline, by mutual consent, a deeper emotional bond is formed that continues to grow much stronger over time. But when Jill suffers a heartbreaking miscarriage and Jarrod is not by her side, she retreats into a deep, dark depression, turning away from the one man who can save her. Will their bond be severed forever?
