

Target America: A Sniper Elite Novel

From the coauthor of the #1 New York Times bestseller *American Sniper* comes a heart-pounding military thriller in which the fabled Special Ops unit is activated to stop a group of terrorists from launching suitcase nukes somewhere in America. When Chechen terrorists manage to smuggle a Cold War era Russian nuke across the Mexican-American border, the President is forced to reactivate the only unit capable of stopping them: Navy SEAL sniper Gil Shannon and his brash team of SEALs and Delta Force fighters. First introduced in *Sniper Elite: One-Way Trip*, hailed by *Publishers Weekly* as a meaty thriller with snappy dialogue and well-timed humor, Shannon and his team were run out of the military after defying direct orders and instead choosing to save the life of one of their own. In *Target America*, Gil and his team, many of whom had gone rogue, are reunited as an off-the-books Special Ops unit that must race against the clock to save the country from nuclear destruction. #1 New York Times bestselling author Scott McEwen once again delivers a gripping and fast-paced adventure that illuminates the shadow world of clandestine military operations.
