

The Hong Kong and Macau Taxi Guide

10 Years Anniversary of helping individuals navigate tricky communications with taxi drivers. Don't let taking a taxi in this Asian city worry you when you have this simple tool to help you communicate with the driver. The process is simple and effective. First, find the page with your destination and either mark the location with the provided arrow sticker or mark the page with the ribbon. Second, show the taxi driver the page with your destination and he will have no problem understanding where you want to go. It's that easy. No more communication problems! This guide will help you get to all of the city's most frequented destinations as well as to some of the more off the beaten-track locations that add so much to this city's charm. Please contact us on when the new app version will be completed.
