

Wife (The Mistress Trilogy Book 2)

Part II of the Mistress trilogy. No longer a mistress to wealthy, much older men, Keisha Crawford isn't certain who or what she is anymore. But one thing she is sure of is how she feels about Jayson Holmes, the handsome-as-sin ex-con who gave her a reason--and the courage--to change. Jayson's going through an identity crisis of his own. He wasn't the kind of man who was supposed to wind up in prison, and now that he's out, he's serving a different kind of time living in regret for all that he's missed, the relationships fractured and opportunities gone for good. Now Jayson needs to make some changes and build a new life. But when he does, he just may find that Keisha shouldn't be part of it.
