EDGAR AWARD winning author Steven Womack...In book two of the P.I. Harry James Denton series, Harry finds his next case across the street, when a magnificent mansion in the funky part of town is torched. The blaze has all the earmarks of a local firebug, but this time someone is murdered. The bludgeoned and left-to-burn victim was a well-known psychotherapist...and the man that Harry's ex-wife, Lanie, was about to marry. Thanks to the doctors will, which leaves a chunk of money to his fiancée, the cops think Lanie is the killer. It's up to Harry to match wits with the match-flicking maniac before his ex goes up the river...and more lives go up in flame....From the Paperback edition.
