

Treasure Island (Illustrated by Elenore Plaisted Abbott with an Introduction and Notes by Clayton Hamilton)

One of the most beloved adventure stories of all time, *Treasure Island* is a swashbuckling tale of the search for hidden treasure. When an old sea captain by the name of Billy Bones dies at the Admiral Benbow Inn on the west coast of England during the mid-1700s, Jim Hawkins, the innkeepers son, and his mother discover a treasure map among his belongings. Jim shows the map to some local acquaintances, Dr. Livesey and Squire Trelawney and together they plan an expedition to find the treasure. Together they set sail aboard the *Hispaniola* led by Captain Smollett in search of *Treasure Island*. Amongst the crew are numerous former pirates, who are led to mutiny by Long John Silver, a one-legged Bristol tavern-keeper who has been hired as the ships cook. Written in the late 19th century, Robert Louis Stevensons *Treasure Island* dramatically depicts maritime life, rich with all its perils, in an adventure that investigates the nature of good and evil itself. This edition is printed on premium acid-free paper, is illustrated by Elenore Plaisted Abbot, and includes an introduction and notes by Clayton Hamilton.
