

Athar

An extremely original and well-written book Juliet Annan, Penguin UK. Many books have been written about the experiences of Europe's Jews during the Second World War, but few stand comparison with this account. Based on the author's own experience, as a teenage partisan interned in a concentration camp in his native Bulgaria, this book paints a vivid picture of the harsh realities of the daily routine. A varied cast of characters - ranging from sadistic paramilitaries to skeletal inmates engaged in a grotesque struggle for survival - is brought vividly to life. The style is terse, direct and uncompromising, making no concessions to sentimentality and eschewing conventional literary flourishes. Interspersed in the text there are quotations from various religious sources - Jewish, Christian, and mystical - underlining the author's belief in the survival of the human spirit in the face of adversity. Athar is a highly original, and worthwhile contribution to the literature of the Holocaust, a work of supreme authenticity and artistry. Philip Simpson ...it is rare to encounter such a compelling book - a book that contains so many overwhelming emotions, an ethereal, poetic and yet earthly prose, indeed... Athar is a unique work. ...an unforgettable book of such tremendous quality William R. Helms, The New Press, US Athar is without doubt a remarkable novel - poetic, tough, moving and disturbing. I admired it greatly...Shlomo Kalo's wonderful work. Isabela Pereira, Bloomsbury, UK Shlomo Kalo is a thinker, novelist and one of the most prolific writers in Israel. Some of his 80 published fiction and non-fiction titles, written in a variety of genres and themes, have appeared in 16 countries.
