

Walking the Tree (Angry Robot)

Botanica is an island, but almost all of the island is taken up by the Tree. Little knowing how they came to be here, small communities live around the coast line. The Tree provides them shelter, kindling, medicine and a place of legends, for there are ghosts within the trees who snatch children and the dying. Lillah has come of age and is now ready to leave her community and walk the tree for five years, learning all Botanica has to teach her. Before setting off, Lillah is asked by the dying mother of a young boy to take him with her. In a country where a plague killed half the population, Morace will otherwise be killed in case he has the same disease. But can Lillah keep the boys secret, or will she have to resort to breaking the oldest taboo on Botanica? Another astonishingly imaginative novel from the acclaimed author of *Sights*. FILE UNDER: Fantasy [A Stunning World / An Epic Journey / A Terrifying Secret / Ghosts in the Tree]

Lillah has come of age and is now ready to leave her community and walk the tree for five years, learning all Botanica has to teach her. Before setting off, Lillah

Angry Robot set its stall out from the very start as an imprint that would be trying different approaches to delivering stories. Over the last year we've been Posts about Angry Robot Books written by Joseph Dacey. and the human relationship with nature, so *Walking the Tree* was right up my street. I had no idea *Walking the Tree* was an Angry Robot book, so I was killed two curiosity-birds with one e-purchase. The main reason for the purchase was to find Today it's the cover for Ian Whyte's first fantasy novel, *City of Dreams & Nightmare*.
